

FLIP 2 BLACK EDITION

Portable Bluetooth Speaker

Next generation for more power, more portability.

The award-winning Flip 2 wireless portable speaker from JBL brings rich sound into your portable digital lifestyle, for all your wireless phones and tablets. Engineered with JBL aptitude and attitude, the Flip 2 uses two drivers and a built-in bass port. This gives dynamic depths to your listening experience and adds crispness to vocals. All this, in a speaker that fits in your hand. And because sometimes your phone is for more than music, the Flip 2 has built-in microphones and SoundClear® echo and noise cancellation technologies, so you can use it as a hands-free speaker phone and never miss a word. JBL Flip 2 – the wireless, portable, rechargeable battery powered speaker that is an all-terrain party you can carry in the palm of your hand.

- ▶ Built-in bass port for full range sound
- ▶ NFC for quick Bluetooth pairing
- ▶ 5-hour Li-ion battery
- ▶ Equipped with SoundClear® echo and noise cancellation
- ▶ State-of-the-art microphone

FLIP 2 BLACK EDITION

Portable Bluetooth Speaker

Dual drivers and a built-in bass port

Dual 40 mm drivers and a custom tuned built-in bass port for faithful sound reproduction so you never miss a word in your favorite music, no matter what volume you play your music.

SoundClear® echo/noise cancellation and custom microphone

SoundClear® echo and noise cancellation and a built-in custom microphone further reduce sound background noise and distortion so your phone calls come through crisp and clear on the Flip 2 speakerphone at any volume.

Bluetooth wireless streaming and connectivity to all portable devices

Stream music from any portable smart device to the Flip 2, it's that simple. With easy Bluetooth setup with NFC and stable Bluetooth connection, the Flip 2 serves all your portable music needs and is connectable to two separate devices at the same time for quick switching.

Signature JBL Flip design for portability that fits in your hand

The JBL Flip 2 form factor builds on the award winning Flip 1 but in a new refined design and industrial grade silicon enclosure for better durability. In multiple colors, JBL Flip 2 is an upgrade from the original in performance and style.
